Exterior

The 2024 GMC Terrain features a bold and aggressive new exterior design. The front end is dominated by a large grille with a prominent GMC logo. The grille is flanked by sleek LED headlights and daytime running lights. The lower fascia features a large air intake and fog lights.

The sides of the Terrain are characterized by sharp creases and lines. The roofline slopes down towards the rear of the vehicle, giving it a sporty look. The Terrain also features a large panoramic sunroof that provides plenty of natural light.

The rear of the Terrain is dominated by a pair of LED taillights. The taillights are connected by a thin strip of chrome trim. The lower fascia features a large exhaust outlet and a skid plate.

Interior

The interior of the 2024 GMC Terrain is both stylish and comfortable. The dashboard features a large touchscreen display that is flanked by vertical air vents. The center console features a rotary gear selector and a storage bin. The seats are upholstered in high-quality materials and are very comfortable.

The Terrain also features a number of advanced technology features. The infotainment system is compatible with Apple CarPlay and Android Auto. The Terrain also features a Wi-Fi hotspot, a Bose premium audio system, and a head-up display.

Powertrain

The 2024 GMC Terrain is available with a variety of powertrain options. The base engine is a 1.5-liter turbocharged four-cylinder engine that produces 170 horsepower and 203 lb-ft of torque. The Terrain is also available with a 2.0-liter turbocharged four-cylinder engine that produces 252 horsepower and 273 lb-ft of torque. Both engines are mated to a nine-speed automatic transmission.

The Terrain is available with either front-wheel drive or all-wheel drive. The all-wheel drive system is designed to provide improved traction in slippery conditions.

Safety

The 2024 GMC Terrain is equipped with a number of advanced safety features. The Terrain comes standard with automatic emergency braking, lane departure warning, and forward collision warning. The Terrain is also available with a number of other safety features, including adaptive cruise control, blind spot monitoring, and rear cross-traffic alert.

Pricing

The 2024 GMC Terrain has a starting price of \$29,500. The Terrain is available in four trim levels: SLE, SLT, AT4, and Denali. The top-of-the-line Denali trim level has a starting price of \$42,500.

The 2024 GMC Terrain is a great choice for anyone looking for a compact SUV that offers a great combination of style, comfort, and capability. With its updated exterior and interior, the Terrain is sure to make a great first impression.
