Discover the Hidden Histories of Birmingham's Buses

For bus enthusiasts, rail enthusiasts, and anyone fascinated by the history of transportation, David Harvey's comprehensive book, *Birmingham Buses After Withdrawal*, offers an unparalleled journey into the world of Birmingham's retired buses.

A Treasure Trove of Information

This meticulously researched and beautifully illustrated volume spans over 300 pages, providing a comprehensive overview of every bus type operated by Birmingham City Transport and its predecessors from 1926 to 2009.

Detailed Bus Descriptions

Each featured bus is described in intricate detail, including its model, engine specifications, fleet numbers, and operational history. Harvey's meticulous research draws from a wealth of sources, including official records, photographs, and interviews with former drivers and enthusiasts.

Stunning Photography

Complementing the detailed descriptions are over 250 captivating photographs, each carefully selected to illustrate the unique characteristics and stories behind these iconic vehicles.

Preservation and Withdrawal

The book also explores the fascinating world of bus preservation, providing insights into the efforts of enthusiasts to rescue and restore these historic buses. From the National Transport Museum in Coventry to the Wythall Transport Museum, Harvey uncovers the stories of these remarkable vehicles' second lives.

Praise for the Book

“ "A must-have for any enthusiast of Birmingham's transport history. Harvey's attention to detail and passion for the subject shine through on every page." Richard M. Bennett, Bus Historian”

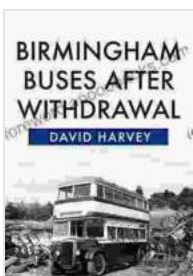

“ "An invaluable resource for anyone interested in the preservation of Birmingham's bus heritage. Harvey's book provides a comprehensive and meticulously researched account of these iconic vehicles." John Taylor, Curator, Wythall Transport Museum”
