This psychological thriller will keep you on the edge of your seat from beginning to end. With a cast of complex characters and a plot that twists and turns, this book is sure to stay with you long after you finish it.

The story follows a young woman named Alice, who is struggling to cope with the death of her husband. She is haunted by nightmares and flashbacks, and she begins to withdraw from her friends and family. When she starts to suspect that someone is stalking her, she becomes convinced that she is losing her mind.

As Alice's grip on reality weakens, she becomes increasingly isolated and vulnerable. She begins to doubt everything she knows, and she starts to

question her own sanity. Is she really being stalked? Or is she simply losing her mind?

The truth is more complex than Alice could ever have imagined. As she delves deeper into the mystery, she uncovers a web of secrets and lies. She learns that her husband's death was not what it seemed, and she begins to suspect that someone close to her is responsible.

As the stakes rise, Alice must confront her own demons and uncover the truth. She must learn to trust her instincts and fight for her own survival. But can she do it before it's too late?
