

Compulsive Comics: Eric Haven: An Exploration of the Human Psyche through the Art of Comic Books

Eric Haven is a brilliant but troubled artist whose unique perspective on life is reflected in his haunting and thought-provoking comics. *Compulsive Comics: Eric Haven* is a captivating exploration of the human psyche through the art of comic books. Through a series of interviews, essays, and meticulously curated artwork, this book offers a glimpse into the creative process of a visionary artist and provides a unique opportunity to understand the complexities of mental illness through the lens of art.

The Art of Eric Haven

Eric Haven's comics are a visual feast, full of vibrant colors and intricate linework. His characters are often grotesque and unsettling, but they are also strangely compelling. Haven's art has been compared to that of Egon Schiele and Francis Bacon, and his work has been exhibited in galleries around the world.
