

Empowering Students Through Library Media Skills in Middle and Junior High Schools

Unlock the Power of Information Literacy and Research

In today's rapidly evolving digital landscape, it's more important than ever for students to develop exceptional library media skills. These skills empower them to become proficient researchers, critical thinkers, and effective communicators, equipping them for success in school, higher education, and beyond.

Our comprehensive guidebook, **Teaching Library Media Skills in Middle and Junior High Schools**, provides educators with the essential tools and methods to teach these vital skills to students in grades 6-8.
