In the sprawling metropolis of Neo-Tokyo, two detectives find themselves on the trail of a series of strange and deadly events. Gunn, a seasoned veteran who has seen it all, and Salvo, a young up-and-comer eager to prove his worth, must work together to uncover the truth behind these mysterious happenings.

As they delve deeper into their investigation, Gunn and Salvo soon realize that they are dealing with something far more sinister than they could have ever imagined. The murders they are investigating are not random acts of violence, but rather the work of a calculating and ruthless killer. A killer who is not of this world.

With the help of a brilliant scientist and a mysterious informant, Gunn and Salvo race against time to stop the killer before it can strike again. But can they defeat an enemy that is beyond their comprehension? Can they save the city from the darkness that threatens to consume it?
