**Haiku Moments** is a beautiful collection of haiku poems and essays that explore the beauty and impermanence of the natural world. Through vivid imagery and evocative language, author Jane Hirshfield invites readers to slow down, observe the world around them, and find moments of peace and tranquility.

The book is divided into four sections, each focusing on a different aspect of nature: earth, water, air, and fire. Hirshfield's haiku poems capture the essence of each season, from the delicate beauty of spring flowers to the fiery passion of autumn leaves.

In addition to her haiku poems, Hirshfield also includes a number of essays that explore the deeper meaning of nature and its relationship to our lives. She writes about the importance of silence, the power of observation, and the interconnectedness of all things.

**Haiku Moments** is a beautiful and thought-provoking book that will appeal to readers of all ages. It is a book that will be cherished for years to come.
