In a distant future, Xeno, a brilliant archaeologist, uncovers a dangerous secret that could change the fate of humanity.

Rebel is a thrilling science fiction novel that follows the adventures of Xeno, a brilliant archaeologist who uncovers a dangerous secret that could change the fate of humanity. Xeno is on a mission to explore a newly discovered alien artifact, but what he finds is far more than he bargained for. The artifact is a gateway to a lost world, a world that is home to a powerful and ancient civilization.

Xeno and his team of explorers soon find themselves in a race against time to save the lost world from a ruthless enemy. The enemy is a group of aliens who are determined to exploit the world's resources for their own gain. Xeno and his team must use all of their skills and knowledge to stop the enemy and protect the lost world. Rebel is a fast-paced and exciting science fiction novel that will appeal to fans of adventure, archaeology, and aliens. Xeno is a relatable and likeable character, and his team of explorers is equally well-developed. The story is full of twists and turns, and the ending is both satisfying and thoughtprovoking.
