### **The World As It Is**

The world as it is is a place of beauty and pain, of love and loss, of joy and sorrow.

It is a place where we are all connected, and where we all have a part to play.

It is a place worth fighting for, and a place worth cherishing.

Murphy's poems are a reminder that we are all connected, and that we all have a part to play in making the world a better place. *Taller When Prone* is a powerful and moving collection of poems that will stay with you long after you finish reading it.
