

# The Political Economy of Sexual Violence in Armed Conflict: Unraveling the Interplay between Power, Violence, and Sexual Exploitation

Sexual violence is a pervasive and devastating reality in armed conflict. It is used as a weapon of war to terrorize, control, and humiliate victims, often with lifelong consequences. *The Political Economy of Sexual Violence in Armed Conflict* is a groundbreaking book that explores the complex relationship between power, violence, and sexual exploitation in conflict zones. Drawing on extensive research and case studies, the book provides a comprehensive analysis of the political and economic factors that drive sexual violence in armed conflict, and the devastating consequences it has for individuals, communities, and societies.
