In an era where information is abundant but time is scarce, the Very Short (VSI) series offers a lifeline to anyone seeking to broaden their knowledge without sacrificing depth or rigor.

Published by Oxford University Press, the VSI series has grown into a formidable collection of over 600 books, each dedicated to a specific topic ranging from history and philosophy to science and psychology.

### What Sets VSI Books Apart?

1. **Concise Format:** VSI books are deliberately limited to a mere 100-150 pages, allowing readers to delve into a subject without getting bogged down in excessive detail.
2. **Expert Authors:** Each book is written by a leading expert in the field, ensuring that the content is both accurate and authoritative.
3. **Clear and Engaging:** The books are written in a lucid and engaging style, making them accessible to readers of all levels, regardless of their prior knowledge of the subject.
4. **Comprehensive Coverage:** Despite their brevity, VSI books provide a surprisingly comprehensive overview of the chosen topic, offering a

solid foundation for further exploration.

5. **Affordable:** VSI books are priced affordably, making them accessible to students, researchers, and the general public alike.

## **Unveiling the World through VSI Books**

The VSI series covers a mind-boggling array of subjects, offering something for every curious mind.

### **Ancient Civilizations:**
