The book begins with a brief history of world's fairs, dating back to the first fair held in London in 1851. Dennehy then provides an overview of Expo Milan 2024, including its theme, goals, and participants. He also discusses the fair's site, design, and construction.

The heart of the book is a detailed guide to the fair's pavilions and exhibits. Dennehy provides in-depth descriptions of each pavilion, including its

architecture, design, and exhibits. He also offers his insights into the significance of each pavilion and its contribution to the fair's overall theme.

In addition to the pavilions and exhibits, Vademecum Expo Milan 2024 also includes information on the fair's cultural program, events, and transportation. Dennehy also provides tips on how to get the most out of your visit to the fair.

Whether you're a first-time visitor to a world's fair or a seasoned pro, Vademecum Expo Milan 2024 is the ultimate guide to this exciting event. With its comprehensive coverage of the fair's history, pavilions, exhibits, and events, this book is an essential resource for anyone planning to attend Expo Milan 2024.
