Meet Viper, the enigmatic and commanding leader of the Sinners, and Mara, a woman who is both innocent and alluring. As their paths intertwine, an irresistible attraction ignites, threatening to shatter the boundaries of both their hearts and the MC's code.

A World of Danger, Loyalty, and Temptation

The Sinners MC is a formidable force in the underworld, known for their unwavering loyalty and the ruthless pursuit of their goals. However, Viper's heart has always remained untouched until Mara's arrival. As he grapples with his growing feelings, the lines between his duty to the club and his desire for her become increasingly blurred.

Mara, on the other hand, is a woman torn between her own desires and the risks that come with being associated with a notorious MC. Despite the dangers, she cannot deny the magnetic pull towards Viper, a man who threatens to consume her body, soul, and will.

A Forbidden Love that Challenges Everything

As their forbidden love deepens, Viper faces a difficult choice: to embrace his feelings and risk the wrath of his club, or to sacrifice his own happiness for the sake of their safety.
