Drawing on his own extensive experience as a diplomat and statesman, Kissinger traces the evolution of American diplomacy from the founding of the republic to the present day. He shows how American diplomats have used a variety of tools, including negotiation, coercion, and persuasion, to achieve their goals. Kissinger also discusses the challenges facing

American diplomacy in the 21st century, including the rise of new powers, the spread of nuclear weapons, and the growing threat of terrorism.

*Worldmaking* is a must-read for anyone interested in international affairs or American history. Kissinger's insights into the art and science of diplomacy are invaluable for understanding the challenges facing the United States in the 21st century.
